RE-DESIGNATION OF HEARING BOARD

On September 6, 2007, I designated five current members of the Board to constitute a Hearing Board in the above-referenced case, to review the Hearing Committee Report, consider exceptions filed, hear oral arguments presented, and render judgment on the basis of the record before it.

Subsequently, one member of the Hearing Board became aware of a conflict of interest that required the recusal of that member from further proceedings in this matter. There are no other current members of the Board that are eligible and able to serve on this Hearing Board. As a result, the Board was unable to assign enough members to constitute the statutory quorum for this Hearing Board. On behalf of the Board, and pursuant to 26 V.S.A. § 1355(b), I requested the Commissioner of Health to appoint an ad hoc member to serve on the Hearing Board for the duration of the remaining hearings and until final judgment is rendered by the Board. On September 24, 2007, the Commissioner of Health appointed Hilton H. Dier, Esq. to be an ad hoc member for the purposes of fulfilling the Board's responsibilities in this case.

The following individuals now hereby constitute the Hearing Board in the above-captioned matter:

Sharon L. Nicol, Public Member
Alexander Northern, Public Member
James D. Cahill, M.D., Physician Member
Toby Sadkin, M.D., Physician Member
Hilton H. Dier, Esq., Ad Hoc Member

Vermont Board of Medical Practice

Phillip J. Cykon, Esq., is designated to continue to serve as Presiding Officer.

The Hearing Board shall review and consider the Hearing Committee Report filed on July 16, 2007. The Hearing Board shall also consider the exceptions filed and the briefs and oral arguments presented by the parties, and shall render judgment on the basis of the evidence in the record before it. As set forth in the Revised Notice of Hearing, the hearing before the Hearing Board shall be held as noticed on November 7, 2007 from 10:00 am until 12:00 noon.
