

*STATE IMPLEMENTATION GRANT FOR ENHANCING THE SYSTEM OF SERVICES FOR CHILDREN
AND YOUTH WITH SPECIAL HEALTH CARE NEEDS THROUGH SYSTEMS INTEGRATION*

IMPLEMENTATION TEAM

Purpose and Expectations: The Implementation Team will review progress of grant project activities on a regular basis and provide input related to statewide policies and procedures currently in place as well as those that need to be created or changed to improve cohesiveness and coordination of services for the CYSHCN population across the state. This Team will meet in person monthly with email updates once a month in between meetings.

Lead: Monica Ogelby, CSHN Clinical Services Director, VT Department of Health, Maternal and Child Health Division

*indicates a team member that is also a member of Vermont's system-wide Integrating Family Services (IFS) Implementation Team which preceded this grant work, and has well aligned goals with our grant efforts, specifically systems integration of services for children and families. Rather than create a separate but overlapping implementation team and risk diluting efforts, our implementation teams will work closely together to streamline system-wide efforts.
