

TRANSITIONING VERMONT EMS PERSONNEL TO THE NEW NREMT LEVELS

Vermont EMT-Paramedic With a Current NREMT-P Certification

All NREMT-Paramedics have one registration cycles (two years) to complete a state approved Emergency Medical Technician-Paramedic to Paramedic transition course in order to be eligible for National EMS Certification as a Paramedic (NRP).

- Completion of a transition course that is state approved must be validated by attending and successfully completing a course that issues a certificate that has within its title:
 - NREMT-Paramedic's name
 - transition course completion date
 - The certificate must contain the following statement: "has completed a state approved EMT-Paramedic to Paramedic transition course."
 - name of the sponsoring agency
 - signature of the individual responsible for the training
- In order to transition to the Paramedic level, the NREMT-Paramedic is not required to complete National EMS Certification Examinations.
- NREMT-Paramedics who submit an acceptable recertification application but do not include successful completion of a state-approved transition course from EMT-Paramedics to Paramedic will be issued National EMS Certification as an Advanced Emergency Medical Technician (NR-AEMT) upon reaching their expiration date of March 31, 2016 or 2017.
