DESIGNATION OF HEARING BOARD

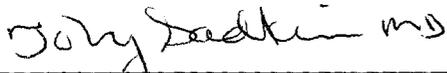

Pursuant to 26 V.S.A. § 1355(b), when a Hearing Committee conducts an evidentiary disciplinary hearing regarding Specification of Charges and issues a Report to the Board, the Board shall render judgment on the findings and conclusions contained in the Report. To review and consider the Hearing Committee Report, the Board shall hold a hearing on October 3, 2007. A quorum of the Board for this hearing, as for all disciplinary hearings, consists of five members, with at least one public member. 26 V.S.A. § 1360(a).

Due to the recusal of the Board Chair and the Vice-Chair from participation in this matter, I was elected Acting Chair to see that a Hearing Board would be constituted. The following Board members have indicated their ability to serve, and they hereby constitute the Hearing Board in the above-captioned matter:

Sharon L. Nicol, Public Member
Alexander Northern, Public Member
James D. Cahill, M.D., Physician Member
Toby Sadkin, M.D., Physician Member
Katherine A. Silta, PA-C, Physician Assistant Member

Phillip J. Cykon, Esq., is designated to continue to serve as Presiding Officer.

The Hearing Board shall review and consider the Hearing Committee Report filed on July 16, 2007. The Hearing Board shall also consider the exceptions filed and the briefs and oral arguments presented by the parties, and shall render judgment on the basis of the evidence in the record before it.
