**RESPONDENT WILLIAM A. O'ROURKE, JR., M.D.'S
MOTION TO AMEND THE BOARD OF MEDICAL PRACTICE'S JUDGMENT AND
ORDER DATED MARCH 20, 2007**

NOW COMES Respondent, William A. O'Rourke, Jr., M.D., by and through counsel,
and moves the Board of Medical Practice to amend its March 20, 2007 Judgment and Order so
that the twenty-day license suspension begins immediately, instead of sixty days from that
date. This Motion is supported by the following Memorandum.

MEMORANDUM

As the Board knows, Dr. O'Rourke has been dealing with this situation since May 2002.
He accepts the Board's decision and desires to implement it immediately. There is no need for
the twenty-day suspension to be delayed, much less for sixty days, hence this Motion directed
to the Board's inherent power to make such a minor revision.

Frankly, Dr. O'Rourke would be shocked if the State were to oppose this request, as it
seeks to effectuate precisely what the State itself requested in its Exceptions to the Hearing
Committee's Report, where Mr. Arisman wrote:

Any period of suspension should begin within 10 days of entry of the Board's
order and should require that the suspension be served without interruption on
consecutive days.

State's Exceptions dated January 15, 2007, fn 8. In short, Dr. O'Rourke simply asks that the
State be held to its position.
