

## ***Tobacco Control Program***

**The Vermont Department of Health and 802Quits announces the newly expanded  
[For Providers](#) section of the [802Quits.org](#) website.**

One-stop shopping cessation resources include videos for providers, downloadable handouts for patients that are customized to tailor advice on quitting (e.g., Smoking and Cardiovascular Disease; Smoking and Macular Degeneration), a downloadable fax referral form, CPT codes, an interactive map that shows how tobacco affects the whole body, and more!
