Action 1.
 Regulation 1, entitled "Fee Policy" is amended to read as follows:

The Department of Health will provide home health care services in 10 towns of Windham County where such services are not otherwise available: Vernon, Guilford, Dummerston, Putney, Marlboro, Dover, Halifax, Stamford, Searsburg, Readsboro. The Department of Health will collect fees for nursing care of the sick in their homes, pursuant to 18 VSA §2203. The charge for each home visit shall be at least equal to the cost for each service as determined by the most recently submitted Medicare Cost Report or interim cost analysis. Full fees shall be collected from patients with third-party coverage and from patients with eligible income (as defined at 33 VSA §3301(4)) over \$10,000. Only partial payment shall be demanded of patients without third-party coverage who have an eligible income of \$10,000 or less. The following schedule shall be used when these conditions are met:

<u>ELIGIBLE INCOME</u>	<u>PORTION OF FEE CHARGED TO PATIENT</u>
\$7,500 -- \$10,000.	50%
5,500 -- \$ 7,500.	25%
5,500 or less	no charge

The applicable towns will be requested to provide money to 6/78
